

## The Ambassadors Confession

I am an Ambassador of Christ,  
called and privileged to re-present Jesus.  
I'm a citizen of Heaven, and a child of the King.

The word of God is my standard,  
I believe it, I speak it, and I live by it.  
I walk by faith, not by sight.

I live by the love of God,  
and my faith works by my love.  
Strife and evil are far from me.

I have healthy, godly connections and relationships.  
I am a minister of reconciliation,  
and privileged to connect people to Christ.

The blessings of Abraham are upon me,  
therefore I walk in health,  
wealth, joy, peace and favor.  
I am victorious, and I am blessed to be a blessing!
